

150 SERIES

THE BASICS, MADE BETTER

Durable, good-looking speakers bring dependable, quality sound to any distributed audio system. Our 150 series is perfect for the budget-conscious or for a low-key introduction to the Episode® architectural line.

AVAILABLE MODELS

The series is available as an in-ceiling model with a 6.5" woofer.

FEATURES

▶ BUILT TO LAST

Vacuum-formed woofer made of high-grade quality polypropylene ensures longevity of the motor structure.

▶ SOUND THAT WON'T QUIT

½" lightweight mylar tweeter provides high efficiency and reliable performance.

▶ RESONANCE-FREE

Oversize installation dog toggles hold the speaker firmly and eliminates vibration.

▶ SLEEK, SOPHISTICATED DESIGN

Elegant thin-bezel grille creates a modern look.
